Attendance Policy

Introduction

Costessey Primary School is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all. We will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach their full educational achievement a high level of school attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

School attendance is subject to various Education laws and this school attendance policy is written to reflect these laws and the guidance produced by the Department for Education. Further details can be found on the DfE website and Norfolk Schools website.

Each year the school will examine its attendance figures and set attendance targets. These will reflect both national and Norfolk attendance targets.

The school will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

This policy contains the procedures that the school will use to meet its attendance targets.

School Procedures

Any child who is absent from school at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity. Only the Principal or a member of staff acting on their behalf can authorise absence. If there is no known reason for the absence at registration, then the absence must be recorded in the first instance as unauthorised.

Members of staff responsible for attendance:

Karen Butcher – Head of Pastoral – 01603 742203 - office@costesseyprimary.co.uk

Katie Lawson – Principal – 01603 742203 – principal@costesseyprimary.co.uk

Fran Magin – Administrator - 01603 742203 – office@costesseyprimary.co.uk

Lateness

Morning registration will take place for KS2 at 08:25 and close at 08:40. For KS1 08:35 and close at 08:50. A late mark for KS2 will be given between 8.50 – 08:59am followed by an unauthorised absence mark. For KS1 the same applies but between 09:00 and 09:09 before and unauthorised mark.

The afternoon registration will take place at 1.00pm.

The registers will close at 1.10 pm.

Parents / carers of a child who is persistently late will be sent a concerns regarding punctuality letter. (See appendix 1)

Absence

In the case of your child not being in school, the school expects parent(s)/carer(s) to contact the school to explain the reason for the absence as early as possible. If the school does not hear from you, the office staff will send a text message by 9:30 am asking you to call in to explain the absence. If we have not received a call from you, the office staff will call you by 10:30am. If there is regular absence this may be a phone call from a member of the pastoral teams.

Frequent Absence

In cases where a pupil begins to develop a pattern of absences the staff member in charge of attendance will monitor and may contact the family to enquire about the absences.

Persistent Absence

Any child whose attendance falls to 90% or below is classified as a persistent absentee. When this is the case a letter will be sent home regarding the current attendance of the child (See appendix 2). The school will offer support to help the attendance increase.

Fixed Penalty Notices

The Local Authority operates a system where any pupil will meet the criteria for legal intervention through the issue of a Fixed Penalty Notice where they have:

1. at least 9 sessions, 4 ½ days, of unauthorised absence during the last 6 school weeks.

Any pupil at Costessey Primary School who meets this criteria, will be referred to the Local Authority for action to be considered.

If a Fixed Penalty Notice is issued it is a fine of £60 per parent per child which must be paid in one payment within 21 days. If a Notice is unpaid within 21 days, the fine will double to £120 per parent per child if paid within 28 days. If a Fixed Penalty Notice fine is not paid in full within the timescale set out above, the Local Authority is required to start legal proceedings against the parent(s) in the local Magistrates' Court for the offence of failing to ensure their child has attended school regularly.

Fast Track

In cases where a child's attendance has not improved following communication and support from the school, or if a child's attendance is extremely poor, it may be necessary to start the Fast Track process. Details of this can be found in the leaflet on <https://www.schools.norfolk.gov.uk/-/media/schools/files/pupil-safety-and-behaviour/fast-track-to-attendance/fast-track-leaflet.pdf>

Holidays

Revisions by the Department for Education to the 2006 Education (Pupil registration) Regulations state that from the 1st September 2013, a Headteacher/Principal can no longer authorise any holidays during term time. The amendments make clear that a Headteacher/Principal may not grant any leave of absence during term time unless there are **exceptional circumstances**. Headteachers/Principals should determine the number of school days a child can be away from school if the leave is granted. An example of such an **exceptional circumstance** would be a leave of absence to represent a national team in a sporting event. If you need to request a leave of absence you will need to complete a leave of absence form (See appendix 3)

A Welcome Back

It is important that on return from an absence that all pupils are made to feel welcome and our staff go above and beyond to ensure this happens. This should include ensuring that the pupil is helped to catch up on missed work and brought up to date on any information that has been passed to the other pupils.

Promoting Attendance

The school will use opportunities as they arise to remind parents/carers that it is their responsibility to ensure that their children receive their education. This will be achieved through newsletters and certificates where children have achieved 100% attendance for a whole term. Weekly class attendance is also celebrated and shared with the whole school in celebration assemblies.

The Registration System

The School use the Pupil Asset computerised registration system for keeping the school attendance records.

The staff member in charge of attendance will scrutinise this data on a monthly basis and share with the Principal, Assistant Principal and Head of Pastoral Care. Any anomalies or patterns of absence or lateness will be investigated.

The codes used in the registration system can be found at Appendix 4 of this document. These may change from time to time as required by the Local Authority.

Register Security

Computer access is password protected. The registers must be safely stored. Completed registers are stored in archive boxes in a locked office and are only held for the duration necessary as outlines in our GDPR policy under the retention of records.

Appendix 1

Dear [Parent Name]

[Child's name] DOB: []

During a recent meeting between the school attendance leaders, it was noted that your child has arrived late at school on a number of occasions this academic year. I have enclosed a copy of the attendance record for your information which currently stands at []% which is below the expected 96%.

Frequent lateness can cause children to become anxious and they miss valuable teaching time. Lateness also causes disruption to office staff and the class teacher and other pupils and I am asking for your co-operation to ensure that your child attends punctually in the future.

It is a legal requirement that all children should be in school and starting the school day at [] am. **Any child who arrives late after [] am is recorded as 'late after registration closes' and this counts as an absence and will affect pupil attendance percentages.**

Please be aware that repeated unauthorised late arrivals could result in a penalty notice being issued and/or the implementation of the Fast Track process.

I will continue to monitor and hope to see an immediate improvement.

Yours faithfully

Appendix 2

Dear [Name],

School attendance of [Child's Name] DOB []

During a recent attendance review with the school's attendance leadership team it was noted that [child's name]'s attendance is below the expected level of 96%. For your information I have enclosed an up to date copy of [child's name]'s attendance which currently stands at []%.

I understand that there could be a genuine reason for these absences. However, we monitor attendance levels closely at Costessey Primary School, as evidence shows that good attendance and good attainment go hand in hand.

We would like you to encourage [child's name] to attend school on a regular basis, even when complaining of minor ailments such as a cold, runny nose etc. as most children are fine once in school and we will contact you if your child is too unwell to stay at school.

If poor attendance continues, this could result in a penalty notice being issued and/or the implementation of the Fast Track Process.

If there are any issues that you feel may be affecting [child's name]'s attendance or you have any queries please do not hesitate to contact me to arrange a meeting to discuss the issues.

Yours faithfully

APPLICATION FOR PUPIL LEAVE OF ABSENCE FROM SCHOOL DURING TERM TIME

Important Information for Parents

- Head teachers comply with the 2013 amendment to the **Education (Pupil Registration) (England) (2006) Regulations 2013** which means that they cannot authorise a leave of absence from school unless it is exceptional; every case should be treated on an individual basis and with due consideration of the circumstances. Ultimately, it is the Head teacher of the school who decides if a period of leave during term time should be authorised or not.
- Head teachers may grant leave of absence if they consider exceptional circumstances apply.
- If the exceptional circumstances are agreed, the Head teacher will determine the length of the absence authorised.
- Requests for leave of absence should be made in advance and before any arrangements are confirmed or money committed.
- If leave of absence is granted please contact school to discuss measures to minimise the impact of the absence on your child's academic progress.
- This form **MUST** be completed by the parent who intends to remove the pupil from school during term time.
- Failure to make a request for a leave of absence in advance will result in the absence taken being recorded as unauthorised.
- Any absence either side of a holiday will be investigated and proof of illness or further details of the holiday (e.g. proof of flights etc.) may be requested.

Please note: Parents do not have any legal entitlement to take their child on holiday during term time.
